Healthcare

In care catering, food content and nutrition are priorities rather than food trends in other sectors of the catering world. As such, the Birchall Foodservice product range reflects the needs and demands of this sector appropriately.

Education

Allergies, government legislation, growing competition from the high street. The modern school caterer certainly has a lot to deal with. We can help with all aspects of education catering, from meal planning for early years to street food concepts for higher education.

Hospitality

You've got a lot on your plate and we feel that you need the best support possible. We closely follow emerging food trends and develop inspiring products to ensure your menus are always on-trend and offering the latest styles and flavour innovations.

Workplaces

From dealing with different shift patterns to ensuring you have nutritious offerings for various dietary and religious requirements, catering for large workforces can be a challenging task. We have the experience and know-how to provide food and support to staff canteens of any size.

Birchall order mate

OrderMate is the name of our online ordering platform, specifically designed with the caterer in mind. Its aim is to offer a simple method of ordering for our customers, and to provide full visibility of our product range with important allergen and nutritional information.

SPREAD A LITTLE HAPPINESS

The Wilkin family have been farming at Tiptree, Essex, since 1757, and making quality preserves there since 1885. We grow a wide range of traditional English fruits and use them to make preserves, condiments, and

other treats in our nut free factory by the farm. We received our first Royal Warrant from George V in 1911, and remain Royal Warrant holders as purveyors of Tiptree Products to His Majesty King Charles III.

Wine Tasting Sessions

Not sure which wine is right for your venue? Or do you want to learn more about how to taste and serve wine? Then we can offer the services of our specialist partner's Wine Development Manager, Richard Stansfield.

Richard will visit your venue with your Business Development Manager, and sample a selection of wines with you. He'll talk you through their flavour profiles and what dishes they pair best with.

For more information about this service, please speak to your Business Development Manager.

“

We've used a lot of suppliers since we opened over 15 years ago, but we've always stuck with Birchalls because of the great service. If I'm ringing up stressing on a Friday, they always do their best to help and I never get a 'no' or a blank answer.

“

Birchalls have been our principal food supplier at the hospice for a number of years. We have always found Birchalls to be very helpful with any query we might have. It's a real family business and that is evident in all of our interactions; they really care about us as a customer.

“

We're really happy with the service we receive from Birchalls, especially from the friendly drivers. We didn't get this level of service from our previous supplier!

Visit our TED Events Centre

Our in-house Training, Exhibitions, and Development (TED) centre at the main depot in Burnley serves as a dynamic venue for a variety of foodservice industry events. It's a place where professionals can deepen their knowledge through gluten-free workshops, Natasha's Law seminars, dysphagia training events, and industry-specific trade shows.

You can make a booking for an upcoming event at birchallfoodservice.co.uk

Dysphagia Training

Ideal for healthcare sector caterers seeking to enhance their skillset in preparing dysphagia-friendly meals. We've teamed up with Gary Brailsford of Dining with Dignity for this opportunity to explore innovative and straightforward approaches to crafting meals that are both nutritious and enjoyable for individuals with dysphagia.

The Birchall Food Show

The Birchall Food Show is our grand annual tradeshow, drawing catering professionals from across the hospitality, education, and healthcare sectors.

This is your ultimate opportunity to explore a HUGE range of exciting food products, equipment, and services, presented by leading suppliers.

Register your place at birchallfoodservice.co.uk

Bespoke Training

Beyond hosting our events, the centre is available for customers, businesses, and organisations looking for a space that encourages professional growth. With a fully-equipped demonstration kitchen that includes Rational ovens, we're set up for engaging cooking demonstrations led by our development chef, offering a practical aspect to our training sessions.

Delivering a Better Tomorrow

Our Delivering a Better Tomorrow initiative covers all aspects of our corporate social responsibility, including reducing our carbon emissions, giving back to the community and making sure our employees are happy and healthy at work.

Below is just a snapshot of our initiatives. You can read our full CSR report at birchallfoodservice.co.uk

Reducing our Carbon Footprint

In the past 5 years, we have installed 400 solar panels on our roof, introduced electric vehicles to our fleet, and have been certified as a nil to landfill site. Thanks to these actions, we reduced our carbon emissions by a huge 46% between 2019 and 2022. This reduction was verified by our specialist environmental partner, Climate Partner.

Lancashire Mind Partnership

Lancashire Mind is Birchall Foodservice's chosen charity partner for 2024 and 2025. We're working together to raise vital funds for the people of Lancashire who may be experiencing poor mental health and the barriers this can bring.

Natasha Allergy Research Foundation

The foundation is the Country Range Group's chosen annual charity for the next three years. The partnership will see CRG and its members (of which we are one) work alongside the charity to raise compassion, understanding and, crucially, vital funds, to help make food allergy history.

Employee Wellbeing

In addition to a competitive salary and pension, all employees benefit from: employee discounts, social club, Christmas savings scheme, free fitness classes & reduced cost gym membership, children's holiday club discount, employee recognition scheme, mental health first aiders, an on-site counsellor, long service awards and an employee awards evening!
